Status Report Week 4

What did I do last week?

- Finished Session for Admin and User Logins

- Started a Profile page

- Began working on making sure everything went to the correct tables using SQL statements

- Was able to run functions to check logins for Admin Flags

What am I doing this week?

- Finishing Profile Page

- Getting started on some CSS

- Helping the team finish what needs to be done

- Double checking table structures

Are there any Impediments/Roadblocks in my way?

- CSS is not my strong suit

- Using past CSS to alter and make a new design for the site

- learning how to make Admin view only items in PHP
